SKILLS

Development

Node	(proficient)	5Yrs
React Js	(proficient)	4Yrs
Laravel	(proficient)	4Yrs
JavaScript	(expert)	6Yrs
PHP	(proficient)	6Yrs
CSS	(proficient)	6Yrs
API	(proficient)	6Yrs

Design

User Interface Design

User Research

UX Engineering

System Design

Tools and App

VS Code	Git	Alfred
Sublime	Postman	Yarn

Education

BSc in Information Technology.

PROFESSIONAL EXPERIENCE (TOTAL 6 YRs)

Team Leader | Bigstar US

Apr 2019 - PRESENT (1.5 Year)

Wrote mainly PHP/Node/ React, Migrated 10+ years code PHP 5 to PHP 7 and **Angular 1 to ReactJS.** Converted Legacy Symfony 1.2 to Laravel 6, and API to Node Express, normalized databases, added Redis cache and migrated server to AWS. Added real time **Dashboard UI using ReactJS** and socket io.

Sr. Developer and Team Leader | Wizz Code Vilnius

Apr 2018 - March 2019 (1 year)

Worked on multiple projects and huge databases wrote lots of NodeJS and **ReactJS applications** like plagiarism-checker e-commerce, music streaming, real-time dashboards.

Web Developer | TG Mumbai

Jan 2016 - Mar 2018 (2 years 3 months)

Wrote mainly PHP mostly with a framework (Laravel) Done lots of research and PoC like an email client, textract. Wrote a real-time chat app in NodeJS socket io/pusher and ReactJS. **Introduced and helped to migrate CRM app UI to ReactJS.**

Specialization

My biggest interest is to solve development problems that we are facing, therefore I try to develop tools and processes that help developers and management. Currently building **HTTP/API Too UI (ReactJs and Node).** I want to solve problems for people from all over the world, make their lives easier.
